

Dear :

We are excited to announce the Crossroads Golf Tournament will be held Monday April 3rd at Reunion Golf & Country Club. This golf tournament will benefit Crossroads Ministries, a local non-profit organization in Madison that helps women put their lives back together and gain independence.

Vicki Demoney, the executive director, has a heart for helping. Her organization's mission is two-fold; the first of which is providing a safe and positive environment for women coming from prison, treatment centers, or abusive situations, and the second is to teach independence by helping these women seek employment and preparing them to live on their own.

We reached out to Vicki to see what the Crossroad's needs were and found many. We determined the best way to meet their needs was to raise capital through a golf tournament. Money raised at the Crossroads golf tournament will directly benefit these women and impact their lives significantly. Your participation will impact lives in your local community.

Each team will enjoy lunch before the match along with beverages and snacks throughout the day. There will be mulligans, raffle tickets, and guess the tee available for purchase. We will have several prize giveaways to those lucky winners who purchase raffle tickets (to be announced). We are very thankful for Southern Beverage who will be our beverage sponsor for this tournament and we anticipate adding more sponsors as we start promotion.

With this event taking place at the beautiful and exclusive Reunion Golf & Country Club, spots will fill up fast! Please review the enclosed documents and get your team signed up. Spots will be on a "first come, first serve" basis. If you have any questions, please e-mail our golf committee team at crossroadsgolftournament@gmail.com.

We appreciate your time and consideration and hope you join us on April 3rd at Reunion Golf & Country Club for a fun day!

Best,

Rachel, Chris, Matt, & Bailey
